Description

STC Talent Solutions is seeking motivated and dependable Production Associates for a sample manufacturing opportunity with Weiler.

In this role, you would support daily production operations, maintain quality standards, and work alongside a team dedicated to safety, efficiency, and continuous improvement.

This opportunity is ideal for individuals who enjoy hands-on work, have strong attention to detail, and are interested in developing their skills in a manufacturing environment.

Responsibilities

- Operate and monitor production equipment according to established procedures.
- Assemble, inspect, and package products to meet quality standards.
- Maintain a clean, organized, and safe work environment.
- Follow company safety guidelines and production instructions.
- Identify and report equipment issues or product defects.
- Collaborate with team members to meet daily production goals.

Qualifications

- High school diploma or equivalent preferred.
- Previous manufacturing or warehouse experience is a plus.
- Ability to follow written and verbal instructions.
- Strong attention to detail and commitment to workplace safety.
- Ability to perform the physical requirements of the position, with reasonable accommodation where applicable.
- Dependable attendance and a positive team-oriented attitude.
